# Why are we in Oman?

One of our partners spoke about visiting the land of Frankincense, He said its beauty cannot be compared to any other country in the World. Soon after we planned on taking a trip to Oman & guess what we were amazed by its Beauty.

We then studied the market carefully for a year & started off operations in Muscat, Oman. In **2019** we started Tawy Services LLC, with the help of our Omani Partner & in **2020** we registered Tawy Tour as a trademark in Oman.

Our Russian roots helped us secure the rights to become registered agents with the Russian Embassy for Russian Visa. We managed to secure IATA accreditation for Tawy Services. However, soon after like everyone in the world we were impacted by the Global Pandemic (Covid-19) & our quick advances were slowed down.

However that has not stopped us from strengthening our base, while taking the necessary steps to adhere to MOH policies to help control Covid – 19.

We were hit by many challenges in our way but we overcoming them step by step & look forward to help this Country & its people in developing & taking the tourism sector to new heights like never before.
